Leadership transition marks next evolution of growth

May 6, 2026

Amsterdam, the Netherlands – argenx SE (Euronext & Nasdaq: ARGX), a global immunology innovator committed to improving the lives of people suffering from severe autoimmune diseases, today announced the results of the Annual General Meeting of shareholders and the Board of Directors' appointment of Karen Massey as Chief Executive Officer and Tim Van Hauwermeiren as Chairperson of the Board of Directors.

“Karen has earned the full confidence of the Board of Directors and our shareholders,” said Tim Van Hauwermeiren, Chair of the Board of Directors. “She is a proven leader who has played a central role in shaping argenx’s execution and long-term growth strategy. Karen leads with our responsibility to patients, the argenx culture, and a vision to continue to build our pipeline. I look forward to supporting Karen and the leadership team as argenx enters its next phase of growth.”
